MEMORANDUM FOR: Chief, Management Staff

SUBJECT : Survey of Signal Center Cable Reference Service

With reference to the study forwarded to the Assistant Director for Communications by the Chief, Management Staff on 5 November 1954, I wish to add the following statement to my memorandum for the record dated 15 November 1954 which indicated my conditional concurrence:

I do not believe however, that I can agree to the creation of an additional reference file of cables for whatever purposes it might serve unless and until the creation of such a reference file has the concurrence of the DD/P, DD/A, DD/I, and the approval of the Director of Central Intelligence.
